## Preface 9

## CHAPTER 1

### General introduction 15

- Introduction 17
- Addiction recovery: State-of-the-art 17
  - Addiction as a biopsychosocial problem—17
  - The rise of the recovery paradigm—21
  - Recovery definitions and conceptualizations—25
  - Theoretical recovery frameworks—29
  - Critical notes on recovery—33
- Situating the dissertation: The Belgian branch of the REC-PATH project 35
  - Brief overview of Belgian drug policy and addiction practice—35
  - Recovery Pathways and societal responses in the UK, Belgium and the Netherlands—39
- Towards a more contextualized understanding of addiction recovery 43
  - Problem statement and research questions—43
  - Methodological and ethical framework—45
  - Structure of the dissertation—48

## References 52
CHAPTER 2
Chasing a pot of gold:
An analysis of emerging recovery-oriented addiction policies in
Flanders (Belgium) and the Netherlands

Introduction 67
Methods 71
   Research context—71; Study design—71; Data analysis—76
Results 78
   Addiction recovery policy visions—78; Implementation of recovery-oriented policies—80; Evaluation of the recovery-oriented policies—83
Discussion 84
   Policy implications—88; Strengths and limitations—89
Conclusion 90
References 91

CHAPTER 3
Predictors and stability of recovery capital
among persons in various stages of drug addiction recovery

Introduction 101
Methods 104
   Sample and design—104; Measures—106; Data analysis—109
Results 110
Discussion 117
   Limitations—120
Conclusion 121
References 122

CHAPTER 4
Turning points towards drug addiction recovery:
Contextualizing underlying dynamics of change

Introduction 129
CHAPTER 5
The ambiguous role of contextual dynamics in drug addiction recovery:
A qualitative study of personal narratives

Introduction
Methods
Setting and participants—159; Study procedure and ethics—163; Data analysis—164
Results
The ebbs and flows in interpersonal relationships—165; Enabling and disabling places for change—169; The role of socio-economic factors—172
Discussion
Ambiguities underlying contextual dynamics during addiction recovery—174; Stigma as an overarching contextual barrier—177; Limitations—178
Conclusion
