Preface	11
CHAPTER 1	
General introduction	13
1.1 Outline	15
1.2 Persons with a migration background and ethnic minorities (MEM)	16
1.3 Problem substance use	21
1.4 Problem substance use among MEM	25
1.5 Access to healthcare and substance use treatment for MEM	29
1.6 Recovery	31
1.6.1 Definitions of recovery	31
1.6.2 Components of recovery	33
1.6.3 Recovery capital	34
1.6.4 Recovery-oriented treatment and policy	35
1.7 Problem statement and research questions	36
1.8 Theoretical and ethical background	38
1.8.1 Theoretical background: an orthopedagogical study	38
1.8.2 Ethical background: the ethical imperative	40
1.9 Methodological approach	44
1.9.1 A diversity of MEM	44
1.9.2 Qualitative research of contextualised lived experiences	45
1.10 Overview of the studies	46
1.10.1 Study 1: A qualitative systematic review of first-person perspectives (Chapter 2)	47

- 1.10.2 Study 2: In-depth interviews with MEM in recovery (Chapters 3 and 4) 48
- 1.10.3 Study 3: A co-creative case study with an expert-by-experience (Chapter 5) 52

CHAPTER 2

Recovery capital among persons with a migration background and ethnic minorities: a qualitative systematic review of first-person perspectives 53

- 2.1 Introduction 55
- 2.1.1 Substance use recovery theories 56
- 2.1.2 Aims and research questions 57
- 2.2 Methods 57
- 2.2.1 Search strategy 57
- 2.2.2 Study selection & inclusion criteria 58
- 2.2.3 Quality appraisal 64
- 2.2.4 Data analysis 66
- 2.3 Results 66
- 2.3.1 Study characteristics 67
- 2.3.2 Defining recovery 67
- 2.3.3 Root causes of problem substance use 68
- 2.3.4 Recovery capital 69
- 2.4 Discussion 75
- 2.4.1 Implications for theory, research, and practice 78
- 2.4.2 Limitations and considerations 80
- 2.5 Conclusion 81

CHAPTER 3

Recovery capital among persons with a migration background and ethnic minorities in recovery from problem substance use: an analysis of lived experiences 83

- 3.1 Introduction 85
- 3.2 Methods 87
- 3.3 Results 91

CONTENTS	7
3.3.1 Personal recovery capital	92
3.3.2 Social recovery capital	97
3.3.3 Community recovery capital	98
3.4 Discussion	102
3.4.1 Recovery capital and barriers experienced by MEM	103
3.4.2 The interwovenness of different forms of recovery capital	106
3.4.3 Limitations and further directions	107
3.5 Conclusion	109
CHAPTER 4	
“Watch out for the boogiemán”: stigma and substance use recovery among persons with a migration background and ethnic minorities	111
4.1 Introduction	113
4.2 Methods	116
4.3 Results	118
4.3.1 Intersectional stigmatised statuses	118
4.3.2 Stigma manifestations	120
4.3.3 Moderating factors	122
4.3.4 Mediating mechanisms	124
4.3.5 Impact on recovery	126
4.4 Discussion	128
4.5 Conclusion	134
CHAPTER 5	
Tailoring the continuum of care for problem substance use to persons with an Islamic migration background: a co-creative case study	135
5.1 Introduction	137
5.2 Methods	141
5.2.1 A co-creative case study	141
5.2.2 Research process	144

5.3 Results	145
5.3.1 Culturally sensitive and tailored prevention	146
5.3.2 Facilitating access to adequate support services	150
5.3.3 Culturally sensitive substance use treatment	153
5.3.4 Supporting long-term recovery	157
5.4 Discussion	159
5.5 Conclusion	163
CHAPTER 6	
General discussion	165
6.1 Supporting substance use recovery among MEM	167
6.1.1 Main findings	167
6.1.2 Recommendations for practice and policy	181
6.1.3 Recommendations for further research	190
6.2 Limitations	195
6.3 Conclusion	199
APPENDIX 1	
English summary	201
APPENDIX 2	
Nederlandse samenvatting	211
APPENDIX 3	
List of publications	223
References	225
Acknowledgements	261
